

Philips Heartstart Onsite AED Package.

Onsite Kit Includes:

Package includes:

- ◇ Phillips Onsite Kit
- ◇ Installation of wall cabinet
- ◇ Installation of AED sign
- ◇ TWO 30 minute trainings (unlimited employees)

Philips HeartStart Onsite AED - includes 5 year warranty, adult electrode pad cartridge, long-life battery and quick reference card.

Compact Size AED Wall Cabinet - Ruggedly constructed metal surface mount cabinet, optional alarm or alarm & strobe available. Made in the USA!

Semi-Rigid Carry Case - Protects your investment. Includes a viewing window for checking the AED's status indicator.

Premium AED/CPR Responder Pack - Premium kit includes a full-size CPR Mask in nylon heavy duty pouch. The best kit available!

AED Wall Sign - Three-dimensional, projection-style AED wall sign to identify the location of your AED.

AED Check Tag - Use this quality AED Check™ Tag as a record of your AED inspections.

AED Window/Wall Decal - 4" Diameter. Let others know there is an Automated External Defibrillator on the premises.

The Philips HeartStart Onsite AED is a **portable, lightweight** (just 3.3 pounds with electrode pad cartridge and battery pack) automated external defibrillator available **over-the-counter** and it's so **easy** to use. Its voice prompt system even has "on-demand" **CPR coaching** to help you remember all of the steps during your resuscitation effort. Do you need pediatric capability? No problem! The Philips HeartStart OnSite has optional **pediatric** pads available. Philips has long recognized the importance of delivering life-saving shocks to patients quickly and efficiently. That's why Philips Healthcare is proud of all of their HeartStart defibrillators' "**Quick Shock**" capability. It takes **less than 10 seconds** to deliver a shock after pausing CPR which means less wasted time during critical moments with Philips HeartStart AEDs
